49. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

The purpose of this article is to bring to light the abuse and effects of drugs used during dysmenorrhea by females of the Federal University of Technology, Akure.

- A. Introduction +++
- B. Main Body
- C. Conclusion
- D. None of the Above

50. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

Through the research carried out by the administration of questionnaires, it was made known that about 70% females have dysmenorrhea and to combat this unbearable cramp, 40% out of 70% of these females in FUTA makes use of NSAIDs and opioids.

- A. Introduction
- B. Main Body +++

- C. Conclusion
- D. None of the Above

51. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

10% makes use of normal pain killers; thus we have a remainder of 20% that treats dysmenorrhea the natural way (i.e. they apply hot bottles of water over the affected region and others drink warm water).

- A. Introduction
- B. Main Body +++
- C. Conclusion
- D. None of the Above

52. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

Another example is Ms B who takes six (6) capsules of Ibuprofen (400mg/capsule) within 6 hours of her menstrual discomfort. Another method of abuse consuming Ibuprofen with other normal pain killers such as paracetamol and panadol.

- A. Introduction
- B. Main Body +++
- C. Conclusion
- D. None of the Above

53. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

Another situation is Ms C who abuses paracetamol with alcohol (brandy) to relieve her of dysmenorrhea. Another method of abuse consuming Ibuprofen with other normal pain killers such as paracetamol and panadol.

- A. Introduction
- B. Main Body +++
- C. Conclusion
- D. None of the Above

54. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

The term paper therefore takes a critical look into the damnable effects of social drinking on students in our dear university, Federal University of Technology, Akure.

- A. Introduction +++
- B. Main Body
- C. Conclusion
- D. None of the Above

55. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

A lodge party is a social gathering organized at someone's lodge. It's typically a type of party where medium to large groups of people gather at the residence of the party's host.

- A. Introduction +++
- B. Main Body
- C. Conclusion
- D. None of the Above

56. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

The geographical area in consideration is the Federal University of Technology Akure. Areas that were consulted in the above location include the South Gate area of the school, State line, Apatapiti Avenue and some part of North Gate

- A. Introduction +++
- B. Main Body
- C. Conclusion
- D. None of the Above

57. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

We can deduce from the research that was conducted by group 12 architecture that student precisely in the Federal University of Technology Akure do abuse alcohol. It was shown in the study that they mainly abuse alcohol at parties conducted at various lodges.

- A. Introduction
- B. Main Body
- C. Conclusion +++
- D. None of the Above

58. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

Disseminating research findings to the campus and surrounding community can also help to curb the menace, books which contains adverse effects of alcohol and researches should be placed in the libraries or recommended to students in courses relating to social and general studies. Programs for young adult should be put up to create awareness against peer pressure who can influence them.

- A. Main Body
- B. Conclusion
- C. Recommendations +++
- D. None of the above

59. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

From the study students are therefore advised to stay off excess alcohol consumption. The University Health Centre should also organize seminars on the health problems of excessive alcohol consumption.

- A. Main Body
- B. Conclusion
- C. Recommendations +++
- D. None of the above

60. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

From our survey, a very large number of FUTA students take these bitter just for the fun of it or for merriment either at social gatherings or alone. Some prefer to mix it with soft drinks or juice either to dilute it or reduce its alcohol content a little thereby allowing them consume as much as they want or can. Some take it to help get over a bad day at school or to get over exam/test failures.

- A. Introduction
- B. Main Body +++
- C. Conclusion
- D. Recommendations

61. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

From our survey, some FUTA students, after checking their results and seeing that they failed or didn't get up to their expected mark, they take these bitters to help take their mind off these disappointments.

- A. Introduction
- B. Main Body +++
- C. Conclusion
- D. Recommendations

62. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

From all these various ways of consumption of these bitters comes its misuse. Those who take it for their pains most times want a quick response to their pain so they tend to take overdose of these bitters with the hope that taking more would ease the pain more or make it work faster, those who take it to take their minds off disappointments find out that it's not a long term solution but rather it just provides a temporary, helps them so they tend to take overdose of it just to have that temporary freedom from their problems.

- A. Introduction
- B. Main Body +++
- C. Conclusion
- D. Recommendations

63. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

From our survey and after studying the results of the questionnaires shared, we found out that a very large number if FUTA students who consume these bitters do not know what the side effects of these products are and more so because the manufacturers of these bitters do not care to state the side effects of misusing these bitters and this has lead to the misuse of these bitters.

- A. Introduction
- B. Main Body +++
- C. Conclusion
- D. Recommendations

64. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

Psychoactive Substances are chemical substances that alter or change the mood, behavior,

perception, or mental functioning.

- A. Introduction +++
- B. Main Body
- C. Conclusion
- D. Recommendations

65. FROM WHICH SECTION OF A TERM PAPER HAS THIS EXCERPT FROM A STUDENT'S TERM PAPER, BEEN TAKEN?

Our major scope for this term paper will be based on the three major psychoactive drugs (Hallucinogens, Stimulants and Depressants) abused by athletes, their effects, reasons why athletes abuse them and some of the steps taken by the government to curb the menace.

- A. Introduction +++
- B. Main Body
- C. Conclusion
